RESOLUTION

No.6/18/2016-TUFS. The Amended Technology Upgradation Fund Scheme (ATUFS) has been notified vide Resolution No. 6/5/2015-TUFS dated 13.01.2016. The Guidelines of ATUFS have been issued vide Resolution No. 6/5/2015 – TUFS dated 29.02.2016. Financial and operational parameters and implementation mechanism for ATUFS during its implementation period from 13.01.2016 to 31.03.2022 are laid down in the said Guidelines.

2. The Union Cabinet under the Chairpersonship of the Prime Minister has now approved the Scheme for Production and Employment Linked Support for Garmenting Units (SPELSGU) under ATUFS to incentivise production and employment generation in the garmenting sector (ITC NSN Code Chapter 61, 62). The additional incentive of 10% will be provided to the garmenting units which would be availing the 15% Capital Investment Subsidy (CIS) under ATUFS for the installation of benchmarked eligible machinery. The cap on capital investment subsidy for the eligible machines in the garmenting units has therefore been enhanced from Rs. 30 crore which was the cap under ATUFS, to Rs. 50 crore vide this scheme. This additional subsidy of 10% will be on achievement of the projected production and employment generation, as stated by the unit in the Detailed Project Report (DPR).

3. The Scheme will come into effect from the date of the Resolution of ATUFS i.e. 13.01.2016 till 31.03.2019.

1. OBJECTIVE:

To boost employment generation in the textile sector, the Government would provide an additional 10% Capital Investment Subsidy (CIS) for garmenting units which have availed 15% CIS benefit under ATUFS based on the achievement of projected production and employment after a period of 3 years. The period of 3 years will be counted from the date of release of ATUFS subsidy to that unit.

2. GENERAL ELIGIBILITY CONDITIONS

The garmenting units (garment / apparel) who have availed 15% CIS under ATUFS and fulfill the achievement of the production and employment generation after three years period as given below are only eligible for additional 10% CIS under SPELSGU of ATUFS.

(a) The production made during the last 3 years is equal to or more than the expected production as per DPR and norms under GR (Ratio as per DPR subject to minimum investment to turnover ratio of 1:3.5).

(b) The employment generated during the last 3 years is equal to or more than the expected employment generation as per DPR and norms under GR (as per DPR subject to a minimum of the industry norm of 70 jobs per one crore rupees of investment).
3 NORMS FOR ELIGIBLE SUBSIDY

3.1 Every eligible garmenting units which has availed 15% benefit under ATUFS will be paid an additional 10% Capital Investment Subsidy (CIS) on the eligible investment upto an additional maximum cap of Rs. 20 crores. Thus, the total cap on subsidy for such a unit is enhanced under ATUFS from Rs. 30 crores to Rs. 50 crores (Rs. 30 crores for 15% CIS and Rs. 20 crores for additional 10% CIS respectively). This additional subsidy will be disbursed after a period of 3 years. This will be based on a verification mechanism linked to production volume, employment and turnover. The parameters for operationalizing the scheme will be as follows:

3.1.1 The production of the garmenting unit shall be in accordance with the ratio given in the DPR subject to minimum investment to turnover ratio of 1:3.5. In case of an existing garmenting unit, the production of the garmenting unit shall be in accordance with the ratio given in the DPR subject to minimum additional investment to additional turnover ratio of 1:3.5.

3.1.2 The employment generation shall be in accordance with the employment figures given in the DPR subject to a minimum of the industry norm of 70 jobs per one crore rupees of investment.

3.2 Under ATUFS, there is a Joint Inspection Team (JIT) mechanism for assessing and certifying the eligibility and eligible subsidy amount. The JIT verifies the machines installed under ATUFS. This mechanism will be utilised to assess the employment and production figures furnished by the units under Format –A.

4. BUDGET ALLOCATION

Funds for meeting additional CIS for Garmenting units will be provided for in the ATUFS budget in the respective years.

5. OPERATIONAL PARAMETERS

5.1 The applicants will upload the production and employment details alongwith their claim form and declaration as at Format-A for additional 10% CIS.

5.2 The JIT will verify the details and submit report in the format prescribed as at Format B to the Textile Commissioner through the i-ATUFS software.

5.3 After examining the report of JIT, the Textile Commissioner will submit claim through the i-ATUFS software to the Ministry of Textiles for release of eligible subsidy.

5.4 All other conditions including the implementation mechanism, the monitoring mechanism, the safeguards against misutilisation, the grievance redressal mechanism, the amendment of guidelines etc., continue to remain same as per guidelines of ATUFS to the extent applicable.
